

Assignment 3: Literature Review

Submit digitally in Word Format only

Due Monday 2-4-2019 (11 pm, or sooner)

Assignment Description: Write a brief summary of the information you have gathered pertaining to your design project. Students should strive to avoid “generic” information that is only tangentially relevant to the project. Rather, students should include information that is necessary for a general audience to understand the contents of the design project/design report.

Literature Review Requirements

1. **Length** - Document should be 2-6 pages in length, single spaced, Times New Roman 12pt font.
2. **References** -
 - a. Provide references “within the text” using a professional formatting convention. I prefer either “...statement [2]” or “...statement²”.
 - b. Provide a bibliography/reference list on last page. Citation format should be consistent & following a published format (journal or other)
 - c. See <http://www.writing.engr.psu.edu/workbooks/format.html#references> for reference format.
3. **Figures/Tables** - Include tables/figures where appropriate. Make sure to reference.
4. **Section Headings** - Use section headings (appropriately named) to separate key topics of literature review.
5. **Additional Details:** Include problem statement, group name, and group member names at top of document.
